## Virtual Summer School 2021

June 14-15

The Department of Finance at the University of Innsbruck and the Society for Experimental Finance (SEF) would like to invite you to the virtual *Experimental Finance Summer School 2021*. The goal of the summer school is to deepen students' understanding and knowledge of the field of experimental finance. Students are also invited to attend the *Experimental Finance Conference* from June 16-18. Find the conference website at [www.ef-2021.com](http://www.ef-2021.com).

While all students are welcome, the summer school targets the following groups:

- Young scholars from finance/ economics departments who belong to a non-experimental group at their University, but are interested in research in Experimental Finance.
- Young scholars from finance/ economics departments that are embedded in an experimental group but want to improve their experimental skills and get an overview over some of the main fields in a systematic way.
